In the documentary, League of Denial presented five segments: Part I - The first diagnosis of CTE or Chronic Traumatic Encephalopathy in an NFL player.

League of Denial: The NFL, Concussions and the Battle for...
User Reviews. "League of Denial: The NFL's Concussion Crisis" is an unusual documentary because I would probably assume that just about every sane and objective person would assume that repeated blows to the head would cause permanent injuries. Yet, oddly, until only very, very recently, the NFL strongly denied that repeated concussions might lead...
