The Problem of Slavery in the Age of Revolution, the sequel to Davis's Pulitzer Prize-winning The Problem of Slavery in Western Culture and the second volume of a proposed trilogy, is a truly monumental work of historical scholarship t

The Problem of Slavery in Western Culture (Oxford ...“The Problem of Slavery in the Age of Revolution by David Brion Davis is a work of majestic scale, written with great skill. It explores the growing consciousness, during a half century of revolutionary change, of the oldest and most extreme form of human exploitation.

The Problem of Slavery in the Age of Emancipation by David ...
The Problem with Slavery in America. Throughout history, slavery was a common practice that few, if any, thought to condemn — much less try to end. But in America, slavery became a problem, one that would not go away without unprecedented bloody sacrifice. This fact alone tells us much about the goodness of America.

The Problem of Slavery in the Age of Emancipation: David ...
A monumental finish to historian David Brion Davis's massive telling of the Problem of Slavery: in Western Culture (book 1); in the Age of Revolution (book 2) and finally in the moral triumph of the human spirit that brought about emancipation and the abolishing (for the most part) of human
bondage.

The Problem with Slavery in America - Speakeasy Ideas
The Problem of Slavery in Western Culture (The Problem of Slavery) This exemplary introduction to the history of slavery in Western culture presents the traditions in thought and value that gave rise to the attitudes of both abolitionists and defenders of slavery in the late eighteenth century as well as the nineteenth century.

The Problem of Slavery in Christian America: Dr. Joel...
The Problem of Slavery in Western Culture by David Brion Davis, first published in 1967, is a masterpiece; one of the full works I would not hesitate to recommend to someone. A study not only of slavery, but of religion and philosophy.

The Problem of Slavery in the Age of Emancipation - David...
"Breathtaking in its erudition, The Problem of Slavery as History speaks forcefully to the canon of slavery scholarship. It takes a provocative stance against the prevailing interpretation and challenges us to think hard and critically about how we have written the history of slavery.

The Problem Of Slavery In
His former students can be found at virtually every major research institution in America, in disciplines ranging from law and literature to history, political science and public health. Now, almost 50 years after the first volume appeared, Mr. Davis concludes his trilogy with The Problem of Slavery in the Age of Emancipation. A brilliant capstone, the book extends Mr. Davis’s story still further—to encompass the growing anti-slavery agitation in 19th-century America and the efforts of ...

‘The Problem of Slavery in the Age of Emancipation’ by ...
The Problem of Slavery in Christian America aims at providing otherwise well-intended Christians and conservatives a deeper understanding of that history, a starting point for discussion and, if necessary, repentance, and with a biblical response to the larger problem of racism, all while refusing to capitulate to non-Christian leftism.
The Problem of Slavery in the Age of Emancipation by David ...
In addition to the many problems with McDurmon’s presentation of the history of American slavery, there is also a substantial issue with omissions. To start, McDurmon omits any reference to black slaveowners. Black slaveowners persisted throughout the antebellum period and were by no means an anomaly.

The Problem of Slavery in Western Culture by David Brion Davis
The Problem of Slavery in Christian America aims at providing otherwise well-intended Christians and conservatives a deeper understanding of that history, a starting point for discussion and, if necessary, repentance, and with a biblical response to the larger problem of racism, all while refusing to capitulate to non-Christian leftism.
